High Quality Textbooks based on  
UK Learning System and CBSE  
Pattern for Pre School

## **UK Based Learning System in Alignment with NEP, NCF and National Mission on FLN of INDIA**

Education Master is a reputed publication house, functioning under the aegis of School of Management & Career Improvement (SMCI) India Limited which is always at the forefront of educational innovation. Since 1996, SMCI has an unwavering focus on educational research and publication while embracing and adapting the world's best pedagogy of learning for the holistic development of children. Education Master empowers students with critical thinking abilities to assist them in tackling the challenges presented by technological advancements. Education Master also aims to imbibe essential moral values and ethics in students. Our educational resources are thoughtfully designed to enhance a child's engagement, whether it's in the classroom or at home. As young minds embark on their educational journey, they are nurtured and encouraged to explore the fundamental building blocks of knowledge: listening, speaking, reading, writing, and other learning skills.

### **Key Features of Books of Education Master:**

**UK-Based Curriculum:** Our books are inspired by British National Curriculum (BNC) and Early Years Foundation Stage (EYFS).

**Alignment with NEP, NCF and FLN:** Our books are aligned with India's latest National Education Policy (NEP), National Curriculum Framework (NCF) and National Mission on Foundational Literacy and Numeracy (FLN Mission called NIPUN Bharat).

**21st Century Skills:** Our books are carefully designed to impart the skills and knowledge necessary for success in the 21st century.

**Experiential Learning:** We believe in learning by doing, and our books promote hands-on, experiential learning that truly engages students.

**Holistic Development:** We go beyond academics, focusing on the physical, emotional, and social development of students.

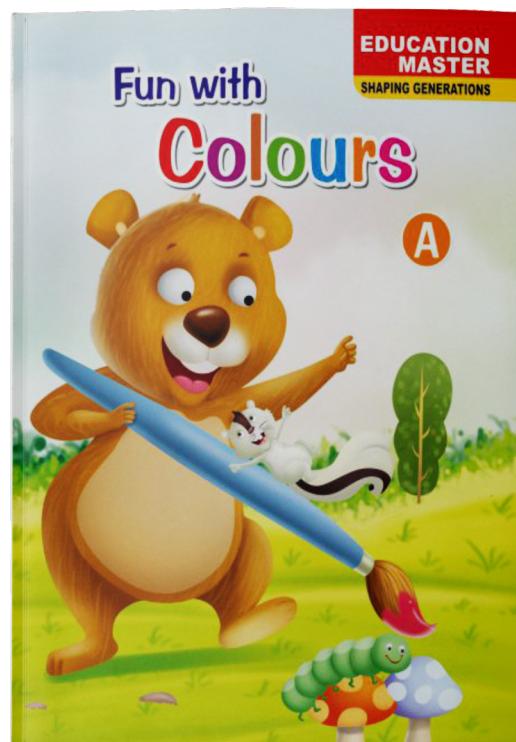

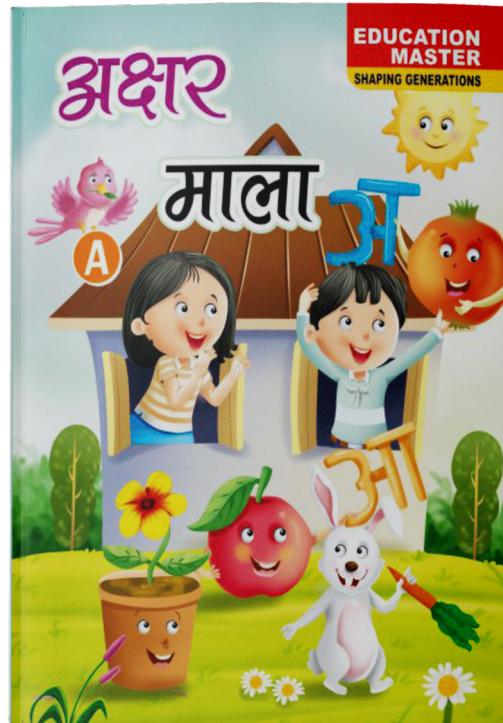

We look forward to join hand with you for shaping the future by providing students with the tools and knowledge they need to thrive in a highly competitive world.

Together, let's unlock the potential of our future leaders and innovators.
